Nursery Sessions

Morning: 8:45 – 11:30

Afternoon: 12:30 – 3:15

Please can you be mindful that you collect your children on time.

This half term in Nursery we will be learning about 'Things that Grow' with a focus on growing plants. Some of our key stories include *Jasper's Beanstalk*, *In Wibbly's Garden* and *A Seed in Need*.

The children will also be bringing a plant home with instructions for to look after it. We would appreciate it if you could support your child to care for the plant.

Next half term in Summer 2 we will be *learning about* 'People who help us.' We will be looking at **information books** to help us learn about these people **including Doctors, Police and Firefighters.**

Reminders

- Please bring your child to school **EVERY DAY** and **on time**. If they cannot attend for any reason, please ensure you ring the school office and let them know.
- Children should be in uniform every day unless it is their birthday, or you have been informed that it is a school non-uniform day. If you need any support with School Uniform, Please let us know.

Please could you support your child with practising putting their *coats and shoes on independently if they aren't doing so already.*

What we are learning in
Maths:

1 2 3 4 5

We will be continuing to practise basic counting skills. We will also be learning more about shape and pattern. We will be looking at how to identify patterns around us and recap what we have learnt about shapes. Another focus this term is beginning to recognise numbers and match them to amounts.

You can help your child at home by identifying patterns and shapes within the environment and modelling how to count everyday objects slowly and carefully.
