Nursery Sessions

Morning: 8:45 – 11:45 (doors open at 11:30) **Afternoon: 12:15 – 3:15** (doors open at 3:00)

Please can you be mindful that you collect your children on time.

This half term in Nursery we will be learning about 'Things that **Grow**' with a focus on growing plants. Some of our key stories include **Jack and the Beanstalk**, **Ten Seeds**, **What the Ladybird Heard Next** and **The Very Hungry Caterpillar**

The children will growing bean seeds in class and will also be bringing home a sunflower seedling to plant at home that they have grown. We would appreciate it if you could support your child to care for their plant.

What we are learning in **Maths:**

1 2 3 4 5

We will be continuing to practise basic counting skills. We will also be learning more about shape and pattern. We will be looking at how to identify patterns around us and recap what we have learnt about shapes. Another focus this term is beginning to recognise numbers and match them to amounts.

You can help your child at home by identifying patterns and shapes within the environment and modelling how to count everyday objects slowly and carefully.

Adults that work with us
