

What is happening in Year 2?

Dear Parents and Carers,

We hope that you and your family have had an enjoyable Easter Holiday. It has been fantastic to see so many children arriving at school on time in their full school uniform and ready to learn. Thank you for all you have done to support your child's learning throughout this school year.

We are delighted to say that the children have made a great start to the Summer Term. They have been working very hard in all of their lessons and are making excellent progress.

It has also been lovely to see some children arrive early to school for Early Readers, it really does make a difference!

If you ever need to speak to a member of staff about your child's progress, please feel free to approach any of us and we'll be happy to help!

Homework

Homework will be sent home weekly to support your child's learning. Please ensure that it gets completed and returned to school.

Early Readers

Reading is our big focus this year. Please read with your child every day or ask an older sibling to help with the reading.

Children can come to school early for extra reading time.

This is on **Tuesdays - Fridays @ 8.30am**

Online Learning

To help children improve with their maths skills, we will be setting weekly tasks on MyMaths.

Children have a login to access MyMaths at home. Please could you work with your child to explore and complete these activities.

Visit www.mymaths.co.uk and enter the password

Theme

This half term we will be learning all about Roald Dahl with "Why were Roald Dahl's stories so phizz-whizzing?"

As readers, we will be looking at a range of texts that the author wrote and exploring all the amazing adventures the characters got up to!

As writers, the children will be using ideas from Roald Dahl to create their own piece of writing using imagination and fantasy!

In Summer 2, our theme is "Oh, I Do Like to be Beside the Seaside" Watch this space for all the wonderful things we will do, whilst we learn about the seaside and sea creatures!

Attendance

Coming to school **every day** matters so that children make good progress in their learning. We are here to help and if you have any concerns about your child's health or any other reason which may be affecting attendance, then please do come and speak to your child's class teacher or **our Key Stage 1 Learning Mentor, Mrs. Thompson.**
